Artist Statement

The use of digital technology is prevalent in the lives of our youths today. This artwork explores the various digital platforms our students think are important in their daily lives. The palm represents the power they have to be responsible users of technology.

Teacher Mentor's Comment

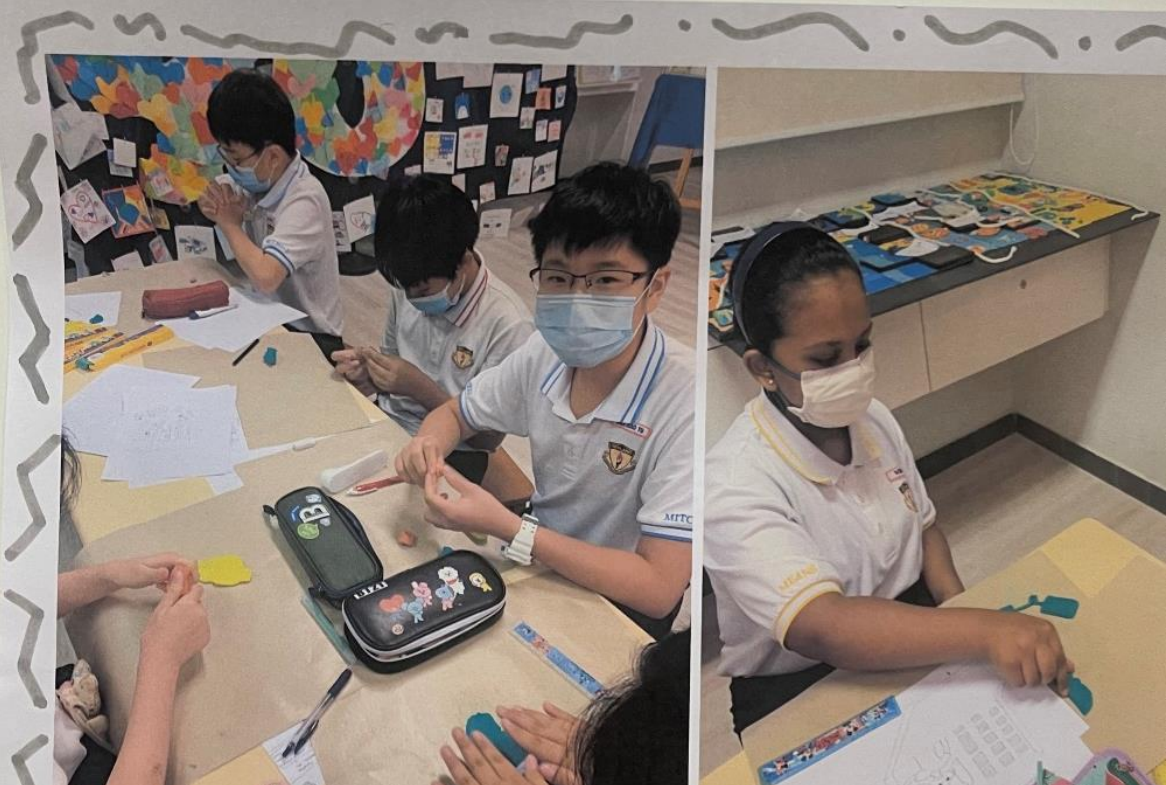

I am amazed at how each of you persevered and supported one another to complete this artwork. Each of you had tried your very best to overcome the different challenges you faced. This amazing artwork is the result of your hard work. GMS(P) is proud of you!

My SYF Art Reflection

1. How did you create your artwork?

Well, I started creating my artwork by planing, then I moved on by doing, lastly, I added colours onto the artwork!

2. What inspired you to create your artwork?

My teacher Mr Harvey!, and some of my good friends!

3. What challenges did you meet as you create your artwork? How did you overcome them?

well... I was afraid that I might not have created my artwork as nice as my friends, but then, I realised that everyone's work will be different and that my artwork was

4. What do you like about your artwork? nice just the way it is!

The colours!

~ Our Weeks in SYF Lessons ~

- So we have finally accomplished our mission on finishing our task. We have really enjoyed ourselves during these weeks. It was a great opportunity to have gotten selected for SYF, and it was great to have met new friends. We thank our teacher for guiding us through out this programme! The programme has come to an end now. Hope we get more opportunities like this in the future! 😊 !! 🙌 🙌 🙌 🙌
