

GEYLANG METHODIST SCHOOL (PRIMARY) PARENT SUPPORT GROUP (PSG)

January 2020

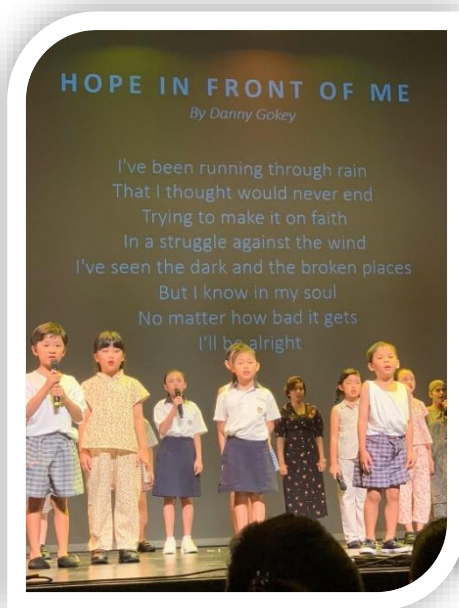

Dear Parents / Guardians

NEWSLETTER – January 2020

Time flies and a brand-new year 2020 is now upon us!

A warm welcome to our new batch of Primary One GMS(P) students, and we also warmly welcome back all the Primary 2 – Primary 6 students and staff.

The school has been well blessed by God for the past 95 years and 2019 was a year of celebration and thanksgiving to God's faithfulness throughout. There were many events in 2019 to celebrate our school's 95th anniversary and it culminated in a very special and enjoyable drama production, "A Journey of Faith", held at Victoria Concert Hall on 20th November 2019. Many of our very own PSG members had their children acting, singing and dancing in this special production.

Teachers' Day 2019 Performance

During Teachers' Day, our talented PSG members and their children took to the stage to present a song that was specially dedicated to our GMS(P) teachers. This just another one of the many little ways we thank the teachers who work so hard for our children throughout the academic year.

PSG Outing 2019 – Gardens by the Bay

Besides serving the school, our PSG also took time to enjoy ourselves and build bonds between

GMS(P) students and their families through our annual PSG Outing held in November 2019. We praised God for the wonderful weather and time of fellowship with each other. Our PSG families had a mini Exploration Race adventure, where each group was given clues to their next stop and

had to solve puzzles or complete simple tasks before moving on to the next stop. It was truly an enjoyable way to explore the Heritage trails of Gardens by the Bay, filled with smiles and laughter!

P1 Orientation 2019

The new batch of Primary One cohort of 2020 had their orientation in November as well. Our PSG members were on hand to welcome them together with their new teachers and seniors. An entertaining skit was put up especially for the Primary One students and their parents to encourage more to join our PSG.

Communication

Communication is a crucial bridge between all people and communication between parents and their children is one of the most important aspects during the growing years; talking to our children regularly makes us aware of what they are experiencing in school and their activities with their friends.

In the Parent Support Group (PSG), we believe in being supportive partners of the school. This will enable us to nurture our children /GMS(P) students to be a contributor in the community. As parents, by joining the PSG, you will go beyond supporting your own child to contributing to a larger group of students in the school. In addition as Parent Volunteer (PV), we also have increased opportunity to build rapport with teachers, school staff and the school leaders.

We do look forward to more parents coming onboard this partnership adventure to discover your strengths and help us grow the GMS(P) partnership from strength to strength for the coming year 2020 School and PSG activities.
