

## GEYLANG METHODIST SCHOOL (PRIMARY) PARENT SUPPORT GROUP (PSG) – NEWSLETTER JULY 2019

27<sup>th</sup> July 2019

Dear Parents / Guardians

It had been a busy first half of the year for 2019. We welcomed the new Primary 1 students and parents in Jan 2019. Also, the school had organised a Sports Carnival in March 2019, in conjunction with 95 years of God's faithfulness. This year, the PSG achieved a record high of parent volunteers joining us for the Sports Carnival activities.

**Communication** is key as it serves as a crucial bridge for better understanding between parents and their children. Conversing regularly with your children and finding out from them what they are their likes and dislike, what they are experiencing in school and the types of activities they participate with their friends, etc. will definitely help to strengthen the parent-child bonding.

***School event with support from PSG***

The members of the PSG believe that by being supportive partners of the school and working closely with the school staff, we will be able to nurture our children to learn and grow holistically, as well as contribute meaningfully to the community. By joining the PSG, we go beyond supporting our own children to supporting and nurturing a larger group of students, too.

Parent Volunteers (PVs) also have the opportunity of building rapport with teachers and school staff through their invaluable contribution to school programmes and activities. We look forward to even more parents joining the PSG and helping us to further strengthen the school-parents partnership.

***PSG Bonding Event – Laser Tag Activity @ Apr 2019***

The PSG will be organising a PSG Outing Event in Nov 2019. We look forward to your participation in this exciting learning and bonding session with us. More details will be provided at a later date.
