What is Excessive Internet Use?

 Let's watch a video (for Primary Schools)

What is Excessive Internet Use?

This happens when an individual uses the Internet to the extent where he/she experiences problematic outcomes that negatively affect his/her life.

Signs of Excessive Internet Use

Needs to spend an increasing amount of time using the Internet before achieving satisfaction

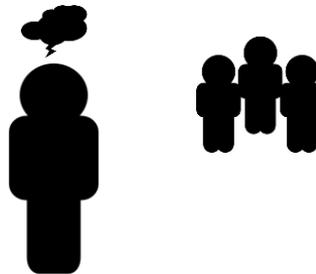

Becomes irritable or violent when disrupted from the use of Internet

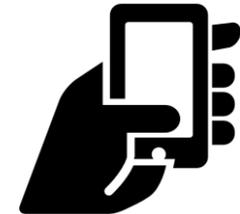

Academic performance and health are affected

Tries to go online less often but is unsuccessful

Prefers Internet use to social events or hobbies that may lead to strained relationships with family and friends

Constantly listens out for the phone when away from it, feels distressed when it cannot be found
